Dear Sir or Madam:

This letter serves to recommend Business Furniture Warehouse for all your office furniture needs. My company recently purchased approximately 70 new cubicles from them when we moved to a new location on the other side of town.

Scott Lawson was extremely useful in helping me select the products I needed. He was always prompt to reply to phone calls and e-mails, something that is very important to me. Also, his pricing was very competitive compared to other local suppliers.

We were on a very tight installation schedule and Scott went out of his way to make it happen on time. Everything went smoothly. We have been using the cubicles for several weeks. So far, everyone is very satisfied with them

Sincerely,
